MNC Tourism Strengthens Premium Hospitality Portfolio with World-Class Experiences

PT MNC Tourism Indonesia Tbk (the Company or IDX: KPIG) announced its financial results for the nine-month period ended 30 September 2026.

KPIG recorded consolidated revenue of Rp1.66 trillion, with net profit of Rp361.09 billion. As of 30 September 2026, the Company recorded total assets of Rp36.90 trillion and total equity of Rp29.95 trillion, reflecting a healthy business foundation supported by its internationally recognized Tourism & Hospitality asset portfolio.

9M-2026 FINANCIAL HIGHLIGHTS	Net Revenue	Hospitality Revenue	Net Profit	Total Asset	Total Equity
	Rp1.66T	**Rp898.75B**	**Rp361.09B**	**Rp36.90T**	**Rp29.95T**

In Q3-2026, Park Hyatt Jakarta received the **One MICHELIN Key 2026** from the MICHELIN Guide. This recognition further strengthens MNC Tourism's position in the luxury hospitality segment through premium service standards and world-class guest experiences.

Park Hyatt Jakarta also received the **Best Lifestyle Hotel** award at the HighEnd 2026 Editor's Pick Awards, further reinforcing its reputation as a modern urban lifestyle destination with a distinctive character and strong brand appeal.

KPIG continues to innovate in enhancing guest experiences through the launch of **The Magic Table**, an immersive dining concept that combines culinary offerings, technology, and interactive storytelling into a unique and memorable dining experience for guests.

Going forward, the Company will continue to focus on operational optimization, improving revenue quality, innovation across its world-class Tourism & Hospitality segments, and the gradual development of strategic assets to support sustainable growth and create long-term value for all shareholders.
